Access Commerce Success with the capital increase

Chicago, Illinois and Toulouse, France, August 17, 2006 - Access Commerce (FR0000074247), a leading provider of multichannel commerce solutions, announced the closing, on August 14, 2006, of the capital increase launched last July.

The subscription rate of about 90% demonstrates the success of the transaction. Revenue from the issue stands at €3.8 M. The company's capital is today made up of 11,398,556 shares.

The purpose of this issue is to participate in the financing of Access Commerce's ambitious development plan and, more especially, to:

- Allow the Company to proceed with external growth operations;
- Strengthen its marketing and sales structure in Europe and in the United States;
- Continue its research and development efforts pertaining to its software solutions.

Coordination for the transaction and investment were provided by Bryan Garnier & Co.

"We are especially satisfied with having concluded this transaction in a context where the market was uncertain. This confirms the confidence that investors have placed in our project and in our strategic vision. The funds raised are going to allow us to finance Access Commerce's development and to carry out our strategy with adequate means," declared Jacques Soumeillan, CEO of Access Commerce.

This transaction note remains available free of charge from the head office of Access Commerce, Rue Galilée - BP 87270 - 31672 Labège cedex, on the Internet site of the Autorité des Marchés Financiers: www.amf-france.org and on the company's Internet site: www.access-commerce.com.

This press release may contain statements relating to future prospects of the Company based on assumptions and forecasts made by Executive Management, as well as information in its possession. The said statements include an element of risk and uncertainty and the assumptions made may differ radically from actual Company performance. Readers of this press release should therefore refrain from taking these statements as to future prospects as certainties.

About Access Commerce

Access Commerce is a leading provider of Multichannel Commerce.

Access Commerce helps manufacturing, distribution, retail and service companies sell products and services through direct, indirect, call center and Internet sales channels. The Cameleon Commerce Suite drives business efficiency by aggregating, standardizing and syndicating product information across supply and demand chains. Cameleon simplifies key steps in the Lead-to-Order-to-After-Sales process by optimizing core business functions: e-commerce, electronic catalog and guided selling, product and service configuration, advanced pricing and promotions, quote and proposal generation, and order management. Employees, channel partners and customers use Cameleon to eliminate errors and non-value added activities, decrease cycle times and improve customer satisfaction, resulting in increased revenue and a reduction in sales and operational costs. Access Commerce customers include AREVA, Eaton Corporation, Eiffage Construction, Invacare, Leroy Merlin, Manitou, Mitsubishi Caterpillar Forklift Europe (MCFE), Perceptron, Perkins Engines, Saint-Gobain, Schneider Electric, ThyssenKrupp, Total and X-Rite.

Access Commerce is headquartered in Toulouse, France and Chicago, Illinois and has offices located in North America, France and Germany.
