## **Access Commerce Strengthens its Marketing and Sales Management Teams**

Chicago, Illinois and Toulouse, France, September 21, 2006 – Access Commerce (Euronext: 7424), a leading provider of multichannel commerce solutions, announced today the addition of several key individuals to the sales and marketing team:

- Lionel Chapurlat has joined Access Commerce as Marketing & Business Development Manager. As a specialist in the international marketing of business software applications, Mr. Chapurlat has held sales and marketing positions for the past ten years at MAPICS / Infor Global Solutions in France and the USA, serving as Director of EMEA Indirect Sales from 2003 to 2005. He is responsible for all the Company's operational marketing and business development operations, particularly abroad.
- Susanne Madier has joined Access Commerce as Cameleon Sales Manager for Europe. Ms. Madier is a software sales specialist who has held sales engineer and sales management positions over the past ten years at Generix and SAP.

The Company has also added several Sales Engineers in France and the USA for its Cameleon and Integration business lines to help support development in these markets.

Access Commerce has also announced the addition of Mike Sutton to its Board of Directors as an Independent Director. Mr. Sutton is a graduate of the University of Manchester and previously served eight years as Vice President and General Manager at MAPICS for the EMEA region. Prior to that, he spent 28 years at IBM, where he held several positions of responsibility in Research and Development and Sales Management in the USA and Europe.

Jacques Soumeillan made the following statement regarding these recruitments: "Access Commerce will benefit from the marketing and sales expertise of Lionel and Susanne who, along with a stronger team of salespeople, will be instrumental in boosting sales of the Cameleon Commerce Suite. I am looking forward to their contribution. Along with the arrival in May 2006 of the two founders of Exsyde, Rémi Perrin and Jérôme Lindström, these new leaders will further strengthen Access Commerce's management. We are also very pleased to welcome Mike to the Board of Directors, who will share his expertise in the software industry and his experience in business development in Europe and the USA."

This press release may contain statements relating to future prospects of the Company based on assumptions and forecasts made by Executive Management, as well as information in its possession. The said statements include an element of risk and uncertainty and the assumptions made may differ radically from actual Company performance. Readers of this press release should therefore refrain from taking these statements as to future prospects as certainties.

### **About Access Commerce**

---

#### **Access Commerce is a leading provider of Multichannel Commerce.**

Access Commerce helps manufacturing, distribution, retail and service companies sell products and services through direct, indirect, call center and Internet sales channels. The Cameleon Commerce Suite drives business efficiency by aggregating, standardizing and syndicating product information across supply and demand chains. Cameleon simplifies key steps in the Lead-to-Order-to-After-Sales process by optimizing core business functions: e-commerce, electronic catalog and guided selling, product and service configuration, advanced pricing and promotions, quote and proposal generation, and order management. Employees, channel partners and customers use Cameleon to eliminate errors and non-value added activities, decrease cycle times and improve customer satisfaction, resulting in increased revenue and a reduction in sales and operational costs. Access Commerce customers include AREVA, Eaton Corporation, Eiffage Construction, Invacare, Leroy Merlin, Manitou, Mitsubishi Caterpillar Forklift Europe (MCFE), Perceptron, Perkins Engines, Saint-Gobain, Schneider Electric, ThyssenKrupp, Total and X-Rite.

Access Commerce is headquartered in Toulouse, France and Chicago, Illinois and has offices located in North America, France and Germany.
